The overhang of the cliff ledge presents very likely possibilities of more Native American dwellings, as have been found in other ledge sites in the Gungywamp complex. What does Gungywamp mean?

Alargelightcoloredquartzitestoneslabformedthe"door"ofthischamber, A section Connecticut (Look Up the Metacomet Trail also intersects the park. Even less credible theories involving aliens, some kind of ancient peoples, and energy vortexes also surround the site. Others believe that the standing stones are Celtic in origin hearkening back to pre-Christian Celtic traditions, and that the stones placed on top of the boulders are Celtic "cursing stones" and "give evidence" of the presence of 8th century Celtic Christian monks living in the Gungywamp.
