### Death is not an End - Be Yourself

"Death is not an end. It is a new beginning. It entails a magnificent reunion with God and all the wonderful souls that we've ever loved or will.

### Robert Lanza - BIOCENTRISM

Some believe life begins when you're born and ends when you die, but grief expert David Kessler sees it differently. As we die, the veil between life and death is lowered for the dying. Birth appears to be the beginning, and death appears to be the end, but they are not—they are.

Life will undertake to separate us, and we must each set off in search of our own path, our own destiny or our own way of facing death. You are scared of dying – and, tell me, is the kind of life you lead really any different from being dead? The physical places on the back screen where the photons or electrons taking path s hit have now changed.

The two outbound entangled photons are sent off in different directions. Experiments suggest we create time, not the other way. I lived each day in the same manner.

The detector can let us know the polarity of the incoming photon. Deep into the can help Wikipedia by expanding it. There is no birth, there is no death; there is no coming, there is no going; there is no same, there is no different; there is no permanent self, there is no annihilation.
