This is one of those books that is written to warn its readers of the woes of communism. Doubtless a poignant satire in its own right, though in a way somewhat redundant; taking a satire and writing a satire based on it Alice in Blunderland An Iridescent Dream also incredibly long winded and focused on people and events too far before my own time to mean anything to me. To see what your friends thought of this book, please sign up. John Kendrick Bangs was an American author and satirist, and the creator of modern Bangsian fantasy, the school of fantasy writing that sets the plot wholly or partially in the afterlife. Search the history of over billion web pages on the Internet. Alice in Blunderland is a satire on communism, capitalism and the bad side of governance.
