I did not believe that the pile of plastic surgeries and botox used to be an improvement. I have to speak up and you have to be able to go in and just be brave and do it for all the women that can't come forward. Supposedly, the original draft revealed the story of how Cosby drugged and raped her, but when his lawyers got wind of it they threatened her and the publisher. I have to admit I picked this book up expecting it to just be an easy trashy read. There you go, you just read the book. Boy was I wrong I appreciate her candor and humor because she had quite the one-two punch up bringing as she starts the book out with that and always refers back to her dad, the "rat bastard," throughout the rest of the book.
