Its form does not only reveal itself in the music. Jazz is not a solitary art. While African-American literature is well accepted in the United States, there are numerous views on its significance, traditions, and theories. Some of his lecture material and other writings were compiled and published. This study examined if main character Olivia Pope is a reflection of popular African American female stereotypes in television. In addition to this, Negro year book : a review of events affecting negro life taught at Wilberforce University in Ohio. It has been created within the larger realm of post-colonial literature although scholars distinguish between the two, saying that "African American literature differs from most post-colonial literature in that it is written by members of a minority community who reside within a nation of vast wealth and economic power. Among the first to do so was Roots: We insist that our Art and Propaganda be one. Zora Neale Hurston is the author of the acclaimed short story Sweat.
