In addition to coping with the struggles of living from a wheelchair, Joni now has new challenges. It's about how we, as I got this book during a A Place Of Healing download promotion and just opened it out of curiosity, knowing I liked Joni but not really having a specific interest in this book. I highly recommend this book and plan on gi I have always admired Joni Eareckson Tada and the way she has lived her life through physical struggles.

About Joni Eareckson Tada. This is a greatly encouraging, greatly challenging book and it was a pleasure to read. Between my Kindle freezing which they do when you underline a lot and finding so many good points to underline, I finally gave up!
