Just a moment while we sign you in to your Goodreads account. Martha Herbert offers a revolutionary new view of autism and a transformative strategy for dealing with it. [NewOptionsforKids,Adults,andClinicians](#). By looking at the systems of the body as a whole and supporting the systems that are out of sync, parents have been able to reverse the autistic behaviors and their children move off of the autism spectrum. My 3 year old son with ASD has already benefitted from some of the changes we are making to focus on the overall health of his body. Share your thoughts with other customers.
