There were often insurrections for more pay. There is a section from The Rite of Spring befitting each of the emperor's reigns here, and the first one, to my mind, is Tiberius with "Spring Rounds". Oh, I almost forgot, we also hear about Boadicea here – the Briton queen who raised an army and fought against the Roman occupation and was ultimately defeat, namely because while fighting the Romans they weren't able to plant their crops and as such began to starve.

My labours are circumscribed anding glorious; peace wholly unbroken or but s
my family originally went to England from there in the 19th Century I have always had a soft spot for the country and it somehow thrills me to read about how this little or I probably should say not so little because it was quite large during that period has been around since the times of Alexander the Great. In describing the city of Rome and its upper class citizens, I was amazed at the backbiting, The Annals of Imperial Rome (Classics), executions, and barbarous behavior
