Instructions for Authors [Internet]. Best Backup Solution rsync Runner-up:

The tool I found best-suited to the job of converting epub files to text is Calibre. From the perspective of SQS, the fact that I'm using different Linux Journal 2011 eBook really doesn't matter at all; as long as I connect to SQS with the right user name and password, and use the right queue name for sending and receiving, everything will be just fine. This will be an exciting category in the future, as competition is really starting to heat up. Do a search to find mirrors if no download links or dead links.
