Great stuff, all the way. Kurt Busiek is an American comic
book writer notable for his work on the Marvels limited
series, his own title Astro City, and his four-year run on
Avengers.

had with the kindle version of House of M, if the panels are
small in the print version of the collection, their relative
size in relation to the kindle screen remains unchanged.

though this book felt incomplete, it was enjoyable and clearly
sets the stage for what is to come. A stupid trip to South
America to help Silver Claw save her village.
