As you may know, this is a rare opportunity to learn directly from an awakened teacher and connect with a global community of like minds and hearts who are doing this important and transformative inner work. Published 1 year ago. Tara's knowledge of spirituality and psychology is an ideal basis for her presentation of the Kundalini phenomena. I was very cautious about picking a book on Kundalini for the potential danger. He is a true embodiment of our potential capacities and masterfully guides the group towards greater freedom and human potential. I hope she reads this review because I want to thank her immensely There is a mysterious soul connection he makes with his students that empowers and reveals profound truth.
