Thanks for your comments on my blog. This one sounds great. Sometimes we forget about the sibling because the focus is on the child with special needs. In the end, Allie gains In Jesse's Shoes appreciation for Jesse, and she even is able to teach him how to say her real name, instead of "Sisser". In this story, the negative isn't something that is focused on, but it is shifted towards getting the chance to see how a person with a disability sees, hears, feels, and loves things. I would read this to 2nd or 3rd graders. Jul 10, Stephanie rated it really liked it. Like finding a great book in a brown box at the post office, or discovering love and compassion in a brother with special needs.
