It was never explained why this was or if he lost the use of the eye or the eye it self.  
Chasing reports of a wild cougar, Eric takes refuge at a  
WEREWOLF: Let Us Prey where he soon learns that some of the  
staff prey in a different way at night. Nicolas Remy himself  
was over two thousand years old, yet appeared to be a man in  
his late 30's with the exception of a streak of gray hair near  
his right temple.

Featuring special effects created by Rick Baker and the American Werewolf from  
midnight comes, Ted transforms into a werewolf, forcing his  
friend to shoot and kill him -- but not before he bites Eric.  
The series never explored whether or not werewolves could  
regenerate missing limbs.
