From the author of the New York Times bestseller Before the Fall, an intense, psychological novel about one doctor's suspense-filled quest to unlock.

The father of a man who assassinates a presidential candidate tries to make sense of his son's crime in Hawley's gripping new novel. Dr. Paul.

Brilliant and heartbreaking, THE GOOD FATHER is a thriller, a mystery and above all else a savagely contemporary, hugely important story it will haunt the.

Dr. Paul Allen is at least trying to be a good father, though perhaps he crosses the line into paranoia when his son Daniel is arrested for.

Views Read Edit View history. Amazon Rapids Fun stories for kids on the go. The book is very well-written and the story of the father of a son who is sentenced to death is not at all sensationalist or sentimental but though provoking and considered. I even joined the men's group. The author is able to make this main character so quiet and so unassuming that it is able to become the perfect light for a father to be questioning his son in. Lots of kids commute to their dad's place The Good Father what's the big deal?

All I've read recently, *Defending Jacob* is the second book by Noah Hawley I've read over just a ten day period, and I have to say that his sociological commentary - here, about questioning ourselves as parents and in *Before the Fall* about the fact-twisting of the media - speaks to me. He has *The Good Father* three previous novels, conceived and run two network television shows, and written one feature film.
