The original ancient Chinese term for this study was Kan Yu; the term Feng Shui is in Chinese historical terms a relatively recent nomenclature. Or some would say Feng Shui is simply a study of astrology. TheDevelopmentofFengShui. In addition, once again, Derek, certainly as the third author behind, did spend hours and hours of his valuable time and effort, in between his busy schedule of concert performances in England and lectures in Russia, tendering his constructive comments and suggestions, and kindly proof-read the whole manuscript of this enhanced new edition. Productive and destructive cycle? Feng Shui is the philosophy which has influenced traditional building design in China for thousands of years. ToremovetheshadowofsuperstitionforFengShuipractice,itisessentialt is placed on two themes, sustainability and science.
