The move from reusable bottles to bottles and cans of which
only the material is recycled was driven by the big commercial
chains, as it reduces handling costs in shops. The study is
expected to be finalised in the autumn.

EU bilateral trade relationship with India and China present a number of chal

The Commission is however not in a position to comment on this
specific case, notably in view of the general nature of the
information provided. Member States have the primary
competence for implementing housing policies. They shall apply
to imported products under non-discriminatory conditions,
including the detailed arrangements and any tariffs imposed
for access to the systems, and shall be designed so as to
avoid barriers to trade or distortions of competition in
conformity with the Treaty.

Die benadering behelst ookeendoeltreffende communicatie en bewustmaking
