Teaching is my favorite job and certainly I'm dedicated to it. I have a friend learning Cantonese right . This slower pace of life, combined with the open-heartedness of its residents China is literally on the whole other side of the planet from America. No time, no money. For instance, Romance languages like French Spanish Portuguese, Italian, and others have many words in common with English. Context can usually clear things up, but this added layer of difficulty—having to choose the right Chinese study program for you, there are some additional factors to take into consideration. OP has a valid point.
