Feb 12, EJ Breu rated it it was amazing. This is a fantastic concept. This book will be a helpful addition to the professional library because it can serve as a tool to help children or adults to understand what it may be like to live with ADHD. TheLionInsideRachelBright. I really can't wait to use them next year, so I bought them All Dogs Have ADHD. I happen to know a few adults with ADHD, and some of them are just as bad or worse than they were as kids. It's pretty simple, and comparable to other books like The Blue Day Book that are primarily pictures just paired with a few words per page to give a reason for the cute pictures. TheInvisibleStringPatriceKarst. She identified heavily with the dogs and lettering and dialogue are clear and understandable It makes connections such as
