It's simple to say and hard to execute: In other words, after repeated failure, these individuals are able to see and pursue alternative strategies for reaching their goal, or know when the goal itself might have to be modified. Remind your teen to take notes in class, organize them by subject, and review them at home.

Vanessa's mother had to work hard on her daughter's self-awareness during the An important way to help is to make sure your teen has a quiet, well-lit, distraction-free place to study that's stocked with supplies. Have your child keep a record of when he or she is, or is not persevering.

Introduction What is success? Nevertheless, we can all agree that this aspect of life is very valuable, for this is the first step in falling in love, getting married, and starting a family—and the family is the foundation of society. The rules usually cover expectations, and consequences for not meeting the expectations, for things like student behavior, dress codes, use of electronic devices, and acceptable language.
