It will always be complicated, but as long as no one else writes in a setting like this, filled with people and story-lines like these, I probably won't quit. Yes Erin had a terrible experience with her past and her daughter.

I understand that there were past events in Erin's life that were painful and

Funny enough one of my highlighted passages was when Erin was telling Adrian that she went over to check Gillian out and that Adrian has some ass moments, and in my opinion those were understandable being that he is a big celebrity and there are things they should always watch out for and be careful of, or a certain lifestyle they are accustomed to and they cannot understand why they can't do what they want.

He had a memorable one night stand with a waitress 14 years ago and the result just didn't seem like something Gillian would do--she seemed so protective of Miles that I didn't see that happening so quickly.
